INTRODUCTION

Get Covered 2021 is a national effort to promote COVID-19 safety and health insurance enrollment. It is about health equity for America's diverse communities. The Affordable Care Act has been a lifeline for millions of Americans. The nation is at a pivotal time in health care with a new federal administration and renewed efforts to expand access to care and coverage. Get Covered 2021 is committed to advancing this extraordinary opportunity to build on the Affordable Care Act so everyone can have access to affordable quality coverage and care.

Below are suggested social media posts that can be further customized. Prompts for further posts can be found at the bottom of each section.

HOW TO POST
